

DeLever APC PER Training Course

Six intensive monthly evening workshops (over 4hrs each) for APC candidates preparing for, and taking their final assessment. The course covers the APC process, documentation, rules of conduct and competencies to ensure you have everything right first time. Supported by a real life PER APC Assessor.

Competency review Understand what the assessors need you to know for your competencies. Session delivered by an APC assessor from your pathway who has been hand-picked by Jon Lever FRICS.

RICS Rules of Conduct talk Helps you to understand what is required at the final assessment. If you answer a Rules of Conduct question incorrectly at the final assessment you will be referred.

Document review Discussion of submission documents, bring yours with you to review before you send them to RICS. Identify and rectify errors and get your documents in good shape for submission as many candidates make mistakes in their submission documents.

Final Assessment Question and Answer session with the APC assessor.
